Vote Pro-Life!

VOTE BRIAN GLORIOSO FOR STATE REP!

Governor-Elect Jeff Landry has endorsed Brian Glorioso because he needs a solid pro-life conservative in District 90 to protect life & move Louisiana forward.

Mary DuBuisson's Voting Record is TOO EXTREME for Slidell!

- Dubuisson is the ONLY Republican legislator in Louisiana to vote against the pro-life law that protects babies from elective abortion (6/2/22). Her voting record is out-of-touch with Slidell values!
- Dubuisson continues to spread dangerous lies about Louisiana law, stating that women "are now forced to carry dead fetuses to term." This is completely false. State law empowers doctors to help women facing miscarriage.

Sadly, Mary Dubuisson doesn't understand the law.
You need a State Representative who will get the facts right!

ELECT BRIAN GLORIOSO TO REPRESENT SLIDELL VALUES!

VOTE NOVEMBER 18th!

Early voting is Nov. 3-11 (excluding Nov. 5 & 10)
